Please update your Availability through November 17th

As the Play-in and Play-off games get started the last week of October and in early November, please remember that the Assignor needs your Availability filled out online. These games often times start earlier than our usual start times. Since Play-in and Play-off games have to have a winner, the games that end in a tie will need to go into an Overtime and/or Shoot-out format. We will be going over these procedures at our Oct. 24th Meeting.

Make sure you are filling out your Game Reports

Remember that unless you fill out your Game Reports on the Oregon Soccer Central website, there is no record of you having completed a soccer game. You do not get paid for games that you do not complete a Game Report online.
