

Central Oregon Soccer Officials Association Newsletter

July 26, 2018

Hi Everybody,

If you scroll down, you will see our calendar of upcoming Events and Meetings. Please put the meetings on your calendars. Adult High School Referees need to attend the Training Meetings. Youth Referees who want to work High School games also need to attend the Training Meetings.

Just a few notes to share with everybody:

- There is a Grade 8 USSF Training Course scheduled for July 30th. Go to www.oregonreferee.com and to their Course Listings if interested.
- Don't miss our Free Pizza Party and 1st Referee Meeting on August 8th ... info down below. All Referees (adult and youth) are welcome!
- I have sent a separate email to the adult referees, with information on High School registration and things. Let me know if you're an adult referee and didn't get that accompanying email.
- If you are a Youth Official (under 18) and interested in working some of the upcoming High School games, please send me an email and let me know. I'll send the rules and requirements for Youth Officials who want to work High School games to you and we'll take you if you qualify.
- Please be on the lookout and recruit any adults who might be interested and able to help referee local High School games. Have them go to www.newofficials.org and enter their contact information and that connects to me.
- Please update your Availability on OregonSoccerCentral if you haven't done so recently.
- The Bend Premier Cup Soccer Tournament is coming up in a few weeks. You'll need to contact the tournament Assignor, Janet Irigoyen (janet.irigoyen@gmail.com) if you are USSF Certified and want to work that tournament.
- Start Training for the Fall High School Season!!! The kids are starting their practices and we don't want them to be in better shape than us J.

Looking forward to seeing everybody soon,

Mehdi
