

Central Oregon Soccer Officials Association Newsletter September 9, 2018

Dear Awesome High School Soccer Referees,

Thank you all for all your hard work and hustle so far this season. We're about 20% through the High School season ... so I hope your gas tanks are still have 80% energy left in them!

I had a few notes for everybody:

- We have a Training Meeting coming up this **Wednesday (Sep. 12th) at 6:30 pm at St. Charles** per the calendar down below. Pat will be doing a presentation on Misconduct, so please plan on attending.
- **Shyanna** and a few others are planning on **ordering some new gear** from Score Sports this coming week. There is a good discount on their shipping if they have a bulk order and were checking to see if anybody else was interested in joining in with their order? Please contact Shyanna (Email: shyannaashworth@yahoo.com or Phone: (541) 408-6636 as soon as possible if you are interested or if you need more information. She is planning on placing the order on Sep. 13th (the day after our General Meeting) so get in touch with her soon.
- Just a quick note for those of you who are USSF and High School Certified. Nathaniel has a bunch of USSF matches on Saturdays and Sundays in addition to the High School games that he's been assigning. He has had to juggle some folks and their schedules around, in order to cover and assign both the High School and Youth USSF matches ... so please check your OregonSoccerCentral account several times a week, in case your assignments got changed or moved around to cover everything.

See you all Wednesday,

Mehdi
