

EVOY HIGHLIGHTS (BOLD UNDERLINED BELOW):

FOR THE FALL ONLY, "Gold" level league games, the referees at each game will check OYSA player cards and rosters. These will not be required in the spring. Rosters are supposed to be carried, but the match should still be played without one.

Re-Start After Injury: After an injury, the referee may restart by awarding an indirect free kick to the team with possession of the ball. The key is that we want refs to stop games early for injuries. Either drop ball or IFK is fine.

There will be immediate substitution of a player receiving a yellow card.

Referees may choose to not show a card to a coach, but rather clearly inform him/her verbally what action is being taken.

No equipment shall be worn that is dangerous to another player as determined by the game referee. Medical (Hard) casts may be worn if properly covered with soft material, and the referee decides the cast does not pose a risk to other players.

No jewelry is permitted. Taping of jewelry is not permitted.

U12 Divisions will play 9 v 9 soccer and U14 Divisions will play 11 v 11 soccer.

Per Tom E of Kidsports: "These are not qualifying for State Cup. Our leagues are only recreational, not 'competitive' in the OYSA terminology. But, we still want player cards checked for these U12 Gold and U14 Gold games for roster integrity. We are instructing refs here to be lenient the first couple of weekends with the player cards. A lot of teams are still getting organized and working on getting their player cards together so there should be a grace period as the season gets started."

The KIDSPORTS Klassic Soccer program was started in 1991 to provide an opportunity for local soccer players to play at a competitive level, while still providing a place for kids of all levels to play. K
